

Bachelor Degree in Fashion Design

**IWP Academy — Shape Your
Fashion Career**

What is this Course?

- ✦ A comprehensive 4-year undergraduate program divided into eight semesters.
- ✦ Designed for students passionate about **fashion Designing**, garment construction, styling, and creative design.
- ✦ Eligibility: Students who have completed 10+2 or equivalent education.
- ✦ The course prepares learners with both creative and technical skills needed for the fashion industry.

What You'll Learn (Core Skills)

- ✦ Fashion illustration, sketching, and concept development.
- ✦ Pattern making, draping, garment construction, and stitching techniques.
- ✦ Textile and fabric science — understanding materials, textures, and design behavior.
- ✦ Computer-Aided Design (CAD) for digital fashion sketching and modern design work.

Advanced Learning & Industry Readiness

- ✦ Fashion forecasting, merchandising, and trend analysis.
- ✦ Building a strong fashion portfolio with practical assignments and design projects.
- ✦ Exposure to workshops, creative events, and fashion-based practical learning sessions.
- ✦ Real-world experience through industry interactions and hands-on design practice.

Who Should Enroll?

- ✦ Students passionate about clothing, style, and artistic expression.
- ✦ Aspiring fashion designers, stylists, or textile professionals.
- ✦ Individuals aiming to start their own fashion label or boutique.

Why IWP Academy?

- ⚡ Experienced faculty and industry-oriented curriculum.
- ⚡ Focus on both creativity and technical mastery.
- ⚡ Practical workshops, digital design training, and portfolio development.
